*Town of  
Greenfield  
New Hampshire*

*Annual Report*

*For the year ending December 31, 1999*

James Conway is to be commended for his many years of dedication to the Greenfield Volunteer Fire Dept. Though he has resigned his post as Chief, he will continue to be active as a Fire Fighter.

Board of Selectmen  
Town of Greenfield  
Town Offices  
Greenfield, NH 03047

To the Board of Selectmen:

We were at the Town Offices on December 2, 1999 to perform our interim audit procedures. We will be scheduling a date shortly for our return to complete the year end audit. We anticipate that draft reports would be available for the Board's review within 3-4 weeks of the completion of year end field work.

Sincerely,

*Mason+Rich, P.A.*

**SPECIAL NOTES FOR COMPLETING THE MS-2 FORM**

This form must contain all the appropriations passed at an annual or special meeting. Combine all the approved and amended appropriations from the MS-6 or MS-7 posted budget form. List the appropriate warrant article numbers in column 3.

Do not cross off any accounts to enter your own titles. We have included the entire chart of accounts for reporting purposes. Please call us if you have any questions or need help in classifying any of your approved appropriations. Mail this form to us within 20 days after the meeting to our new address on the 1st page of this forms.

The revenue page form MS4, due September 1, will be mailed to you in the summer. This form is computerized. Send us your blank disk & a self-addressed, stamped mailer for a copy of the spreadsheet.

## BUDGET OF THE TOWN/CITY

OF: GREENFIELD

Appropriations and Estimates of Revenue for the Ensuing Year January 1, 2000 to December 31, 2000

or Fiscal Year From \_\_\_\_\_ to \_\_\_\_\_

### IMPORTANT:

Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the entire budget in the appropriate recommended and not recommended area. This means the operating budget and all special and individual warrant articles must be posted.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the above address.

DATE: February 22, 2000

## **BUILDING INSPECTOR'S REPORT**

1999 has been another busy year for building in Greenfield. There were 27 building permits issued for the following:

- 7 new homes
- 7 outbuildings
- 6 decks & porches
- 1 in-law apt.
- 6 septic replacements

In an effort to better serve the community, I have attended monthly training meetings provided by the New Hampshire Building Inspectors Association, a two-day training in one-and-two-family dwelling construction put on by BOCA, and a one-day workshop on the National Fuel gas code put on by the State of NH and the NFPA.

Over the past five years, nationwide there has been a great deal of work done to develop one building code instead of the three or four major codes that are now used. This effort has resulted in the development of the International Building Codes, which will be published in the beginning of 2000 and will replace the BOCA codes which we now use. I look forward to moving into using these new codes by 2001.

I thank the townspeople and the contractors, who have worked in town, for their support and understanding of this office. It is our goal to provide a service to our residents that will assure them safe building practices as well as compliance with town zoning ordinances. If I can help anyone, please feel free to call me at the town office (547-3442) Wednesday evening 7:00-9:00 or at home anytime (547-3449).

Respectfully submitted,

Peter W. Hopkins  
Building Inspector

## CONSERVATION COMMISSION

Ongoing work on the Natural Resource Inventory included recognition of the importance of forestry and timber harvest to the town. Our concern focuses on sustaining a commercial forest and encouraging recommended harvest practices. Commission members are working with the Town Office to provide landowners with an information packet when they file an Intent to Cut. Even with steady moderate, not explosive, growth, protecting our forest resources will be a challenge. As part of on-going information the Commission sponsored a meeting on new rules for forest land under current use.

Lake water quality monitoring was initiated in Greenfield in 1988. Our records so far do not identify crises situations, but threats persist. The testing program involves three tests per year on each of our three lakes. Otter Lake was added to the program in 1997. Samples are taken at identified deep sites at different depths depending on temperature. Other samples are taken at the inlet and outlet. The State monitors beach areas. Once each season a representative from the Department of Environmental Services works with the local volunteer to maintain a consistent testing protocol and help interpret findings. For example, Chlorophyll A represents algae and, over time, indicates the life process of a lake. E. Coli indicates possible contamination, and temperature, clarity and Photoplankton confirm lake qualities that may be generally observed. Purple loosestrife has been identified at three spots on Zephyr Lake. This plant will crowd out more beneficial plants and some control measures may be appropriate. Jamie Bascom manages our lake testing program and volunteers to help with the program are always welcome.

Maintaining the rural character of Greenfield and its Center Village focus as identified some years ago in the Town's Master Plan is an ongoing challenge. The dynamics of population and economics cannot be ignored. The Commission has established a sub-committee to study related issues and opportunities and meet with interested groups and individuals.

In addition to these special activities, the Commission routinely reviews and advises on projects that may affect wetlands. We have found that early cooperation with a project sponsor is very effective in protecting natural resources and advancing the best possible project for the area involved.

Roger Lessard and Karen Day are new members of the Commission. Other members are Ray Cilley, Chairman, Jami Bascom, Nancy Matteson, and Ted Bonner. Regular meetings are the third Wednesday of the month, 7:30 PM at the Town Offices and open participation is invited and encouraged.

Respectfully submitted,

Carl Ingelstrom

## **FIRE DEPARTMENT REPORT 1999**

The past year has been mild in regards to the severity of the calls we received for help. We did, however, respond to the first bomb threat I am aware of in Greenfield. This was at the Crotched Mountain Rehab Center and appears to have been the result of an overheard statement that was properly reacted to.

We received and put into service our newest truck, replacing our 25 year old one. This is a wonderful piece of equipment that will serve the department and the townspeople very well for hopefully 25 more years. It has many modern features, particularly several safety ones.

Our Volunteer membership has been holding with several members moving on and being replaced with several new ones. We still have room for more volunteer members. Our newest members have been a blessing with their daytime availability and strong desire to receive training that enables them to be very proficient emergency service providers. We have also been very fortunate to have several veteran members who have continued with their training to maintain and further their abilities as well. For those of you who would like to become a member, please contact Captain David Hall, in charge of recruiting, at 547-2222.

The fire station has gotten some terrific attention from one of our own volunteer members who is also skilled in paint and wallpaper. This began in the communications room, continued into the meeting room and is presently in the truck bay. The remainder of the station will be completed in the upcoming months.

We are anxiously awaiting the 911 numbering system to be adopted and implemented by the residents of town. This will be one of the greatest improvements to everyone's well being by providing any emergency services a way to expediently identify everyone's address in town.

If anyone is ever interested in seeing for themselves what the department is, or about, please don't hesitate to stop by, call or contact any one of us. If there are any teenagers in town that have expressed an interest in becoming a member or discovering what the fire department is about, again, please stop by, call or contact any one of us. We are typically there on Monday evenings at 7:00 pm and Sunday mornings at 10:00 am.

Respectfully submitted,

Acting Chief Loren D. White  
Greenfield Volunteer Fire Department

## 1999 GREENFIELD FIRE DEPARTMENT CALL SUMMARY

88 RESCUE CALLS

57 FIRE CALLS

145 TOTAL RUNS

23 ALARM ACTIVATIONS 12 = Rehab. Center 7 = elementary school 4 = residences

14 MUTUAL AID CALLS    5 = Bennington    3 = Peterborough    3 = Lyndeborough  
                                 1 = Frankestown 1 = Antrim            1 = Dublin

5 MOTOR VEHICLE            4 = accidents        1 = car fire

4 WIRES DOWN

4 BRUSH FIRES                3 = unexplained 1 = unattended

2 CHIMNEY FIRES

1 KITCHEN FIRE

1 ELECTRICAL (lightning)

1 SMOKE INVESTIGATION

1 PUBLIC ASSISTS            (broken water pipe)

1 BOMB THREAT (Rehab. Center)

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. During the 1999 season Forest Rangers were busy assisting communities with suppression of difficult and remote multi-day fires. Forest Rangers have also investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The 1999 fire season was a challenging but safe year for wildland firefighters in New Hampshire. The severe drought conditions throughout the spring and summer months combined with residual effects of 1998 Ice Storm, resulted in a dramatic increase in wildland fires. In addition to burning in excess of 452 acres, 35 structures were also impacted by wildfire. Wildland fires in the urban interface is a serious concern for both landowners and firefighters. Homeowners can help protect their structures by maintaining adequate green space around them and making sure that houses are properly identified with street numbers.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

Please contact your local fire department before doing ANY outside burning.

REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!!

1999 FIRE STATISTICS

(All Fires Reported thru December 10, 1999)

## HIGHWAY DEPARTMENT REPORT

What a year weather-wise! Record ice and freezing rain, then a record dry summer, followed by a wet fall and a snowless early winter.

This department moved a record volume of sand, gravel, and aggregate totaling 13,460 cubic yards (1,747 truck loads @ 7.5 cy per load). The Yankee Farmer family donated 5,400 cubic yards of this total. Many thanks Steve and family, we appreciate the gift!

We also initiated an annual blasting program to remove ledge and boulders from roadside ditch-lines, along with an extensive drainage plan.

The new CAT loader backhoe is the centerpiece of these programs; we use it every day.

More road reconstruction and pairing to come on East Road this summer.

Thanks for your support.

Respectfully submitted,

Wyatt R. Fox, II  
Road Agent

# **THE GREENFIELD HISTORICAL SOCIETY**

## **Building Committee Report**

The Building Committee met ten times in the past year. Our main challenge was to narrow down our list of choices for the location of a new building for the storage of archives and display of artifacts.

The present consensus of our Committee has evolved to one of three locations:

1. Archival Storage Building 20'x20' in place of the temporary classroom at the old school. Part of the basement would be used for artifact display. This assumes the town votes to acquire the old school and relocate the town offices, etc.
2. A partial addition to the present Tax Office at the old fire station to create a 20'x20' fireproof space for storage of archives, using the balance of the first level for artifacts display.
3. Construct a two-level 30'x50' addition at the Stephenson Memorial Library with separate entrance on the Slip Road side.

Maurice Bowes and I met with an engineer of Bergeron Construction of Keene who built Dublin's Archival Building. We reviewed all three locations as a possible home for our archival storage and artifact display.

The estimated cost for archival storage and artifact display is \$150,000.

Respectfully submitted,

Bill Hopkins  
Building Committee Chairman

### **Building Committee Members:**

Bill Hopkins, Chairman  
Maurice Bowes  
Mary Emery  
Dale Russell

Jerry Adams, Ex Officio - Selectmen's Representative

## 1999 HUMAN SERVICES REPORT

Direct Assistance Budget:	\$15,225.00
Direct Assistance Paid Out:	- 4,751.55
Assistance Repaid by Clients:	<u>- 0 -</u>

<u>Net Balance</u>	<u>\$10,473.45</u>
--------------------	--------------------

Number of Families Assisted:	9
------------------------------	---

Breakdown of Assistance:

Rental	\$ 2,150.00
Utilities	1,116.55
Food	1,055.00
Miscellaneous	<u>430.00</u>

<u>Total:</u>	<u>\$ 4,751.55</u>
---------------	--------------------

Nine families were assisted this year, down again from the previous year. Two families paid back assistance through volunteering services in different town departments. Expenditures have decreased due to the strong economy and available job market.

Carol Baldwin  
Human Services Officer

## STEPHENSON MEMORIAL LIBRARY

During the year of 1999 the library trustees worked on developing plans to present to the town for a new addition to the library which would contain a youth and technology room. The library is very crowded and lacks shelf space for all their books. Some things that would be in the addition would be room for more computers for library patrons to use, room for a copier, and an office for the librarian. The present childrens' room could be used as a reading room.

The library sponsored and participated in several events throughout the year. During the Winter Festival the library had a story time, a place to make snowmen, and served doughnuts with hot chocolate and coffee. Due to the lack of snow the snowmen were made out of paper but with a great deal of enthusiasm. National Library Week was celebrated by having an astronomy night. First, an informative talk was given on various topics of astronomy. Then the group went outside to look through telescopes to see which "heavenly bodies" could be seen. Childrens' Book Week was observed with a display of work from the children at the Greenfield Elementary School and an open house on Saturday. The theme of this year's reading program was **I Am A Worldwide Reader.** The children were exposed to books written in French and Spanish as well as in English. In August at the end of the reading program Barbara Damron, Queen Bee, presented a puppet program which was enjoyed by both children and adults.

302 new books have been purchased and cataloged this year. The circulation for 1999 was 5,950. The elementary students continue to come to the library to get new books and listen to a story read by the librarian, Mrs. Stone. The library has many videos and records for both children and adults which can be checked out. There were 43 new people who received library cards. The librarian attended library coop, New Hampshire Library Association meetings, as well as many workshops which enables the library to serve the patrons in a more advantageous manner. The trustees attended workshops and meetings sponsored by the New Hampshire Trustees Association. Gail Smith has finished her library training and is now an Assistant Librarian.

### LIBRARY HOURS

Monday 12 - 5 PM    6 - 8 PM

Wednesday & Friday 12 - 6 PM

Saturday 9 - 12 AM

As always, the trustees would like to thank the many people who generously donate their time and support to the Stephenson Memorial Library.

Respectfully submitted,

Trustees

Nancy Aldrich

Irene Ewing

Jane Winslow

**Total: \$18,005.00**

## OAK PARK COMMITTEE ANNUAL REPORT

1999 was another progressive year for Oak Park, with lots of improvements, and more to come next year.

The committee had a workday this past summer, working side by side with other town residents. New picnic grills were installed near the playground, the Gazebo was painted, volunteers and committee members helped with the second new baseball dugout, along with cleanup in general. In addition more tree work cleanup was done.

Oak Park Committee members assisted in making the 1<sup>st</sup> Annual Celtic games a success, by cooking for volunteers the day before the event, and cooking and volunteering in general the day of the event. The Celtic games are put on by Happy Valley Day School, and donations were made to many Town Groups on account of the events major success.

On Memorial Day Oak Park hosted a Mountain Bike Festival, attracting 75 event bikers. This was a safe and enjoyable weekend for all attendees.

Blue-B-Cue was successful once again, featuring a large crowd, great music, good food, and added over \$3,000 to the Oak Park fund. The horseshoe tournament raised approximately \$250. Non-perishable food items collected were over 250 items, donated to the local food bank. Other things happening at the Blue-B-Cue this past year, were a Paint Wall for the kids, Face Painting, a 50/50 Raffle, Tee Shirts and the sale of food. Added this year to the festivities was Paper Bag Hat Painting.

This year the committee is looking closer at what it would take to get a larger storage building with bathrooms, and a kitchen at the park. This is an expensive proposition in itself, and there are multiple options.

The Oak Park funds balance as of 12/31/99 was \$16,305.88.

The Oak Park Committee is looking forward welcoming the new members, and electing committee officers. We are in hopes of another successful year in the parks' progress.

### PHASE III CHARRETTE COMMITTEE

In 1997, a conceptual town design was completed and presented to the town Selectmen by Plan N.H. The plan designed several enhancements which would improve the center of Greenfield; included town office space, sidewalks, a nice village green and park, off-street parking, enhanced parking in the center of town and more. Another suggestion presented by Plan N.H. was the the possibility of purchasing the East Coast Building and installing a community septic and leach field system on the site to address septic system failures. Plan N.H. also suggested that providing a community septic system and leach field for the abutting properties would be an attractive way to revitalize the center of town, making it more attractive to new investors. The Phase III Committee was established to review the recommendations of Plan N.H. and to work towards accomplishing this vision for our town.

The Committee, after much discussion decided to send out a Request for Qualification and a Request for Proposal to several engineering firms. We narrowed the field of qualified engineering firms down to three and overwhelmingly chose Underwood Engineers out of Portsmouth, N.H. to work with the town. An income survey was then sent out to all the properties that could potentially be tied into the community leach field. As a result of the survey, Greenfield qualified for 75% grant monies for this project. The additional revenue needed to fund this project would be collected through sewer user fees.

This project is included in the 2000 budget, as part of the bond which the town is presenting at Town Meeting. The committee asks for your support for this project. If there are any questions, you may contact any of the committee members listed below.

Respectfully submitted,

Carol Baldwin

## PLANNING BOARD

1999 saw another year of reduced economic activity in this area of the State. The Greenfield Planning Board held 7 preliminary conceptual consultations, 4 hearings and made numerous site reviews.

In March voters approved four amendments to the Zoning Ordinance regarding the number of unregistered motor vehicles allowed on a lot, allowing excavation in the Industrial District, light pollution, and deleting the words "low income" from the ordinance allowing low income elderly housing.

All members attended at least one meeting of the Municipal Law Lecture Series which were held in Peterborough in September and October. Copies of these lectures are on file if anyone is interested in them.

During November and December members were working on amendments to be presented to the voters in March 2000.

George Rainier, Chairman  
Bob Caron, Vice Chairman  
Marilyn Fletcher, Treasurer  
Jean Cernota, Secretary

Jerry Adams, Selectmen's Representative  
John Hopkins, Member  
Donald Winslow, Member  
Mike Kavanagh, Alternate Member

## Report of the Greenfield Police Department

As 1999 progressed, I found myself repeatedly thanking the voters in Greenfield. By your unanimous vote to fund Mitch Foster's police position, you brought a professional, caring employee to Town. Mitch is a valuable employee who is devoted to his duty to the town and to the police department. He has established a connection with the schools and other town organizations that emphasizes his value to the Town.

Long-time employee Nick Weeks resigned in January 2000 in order to concentrate on other responsibilities. The Greenfield Police Department thanks him for his service over the last 9 years.

Our present part-time staff of Scott Quilty, Glenn Roberge and Craig Edsall is committed to the high quality public service to the town. We are very proud of Craig's academic achievement at the part-time officer academy. Glenn is attending special training to benefit the department and the town. They share the credit the department has earned for its cost-effective and professional operation.

In spite of occasional adversity, the Greenfield Police Department continues to act as an integral and important part of the functioning of the Town. The police department can take some credit for a low crime rate, a high solve rate, no fatal accidents for many years, a low accident rate, active participation in town events such as the Celtic Games and the Winter Carnival, and excellent relations with the children and seniors in town. This has been accomplished within the budget that the voters have deemed appropriate for the police department.

We are proud of the support that the voters gave the police department at last year's town meeting. Additionally, we receive good reports and support from many of you throughout the year. This proves to me that you recognize that the Greenfield Police Department is not just one person. Rather, we consist of several employees and one mission; service to the community. Looking at the larger picture, our mission is ultimately achieved. It is the Town, not the police department, that is the real beneficiary.

So what are we doing in between all this other stuff? This:

Reports written	732	Summonses	57
MV warnings	328	Violation arrests	21
Felony arrests	1	Assist agencies	85
Accidents	17	Building checks	1057
Thefts	9	Burglaries	3
Harassing calls	27	Misdemeanor arrest	12
DWI	4	Alarms	47
Animal Complaints	81	Domestics	35
Juvenile	23	Community Service. Hours	150

Respectfully submitted,  
Chief Gary W. Gagnon for the  
Greenfield Police Department

## RECREATION DEPARTMENT/PARKS AND PLAYGROUNDS

1999 was successful for both the Recreation Department and Parks and Playgrounds. As every year goes, we had our ups and downs but the year certainly ended on a positive note, meeting both the budgetary and revenue requirements set forth by the Town. Hopefully, the recreational needs of the town were addressed in a positive way.

Little League had a great year, becoming Champions of the Crotched Mountain Bambino League, beating out Bennington. Congratulations to the players, Mike Marschok, Kugi Clough and the crew of volunteer coaches. The Little League field itself saw some more changes. The other dugout is built, the bases are realigned with drainage added and new fencing is being put up to protect spectators. Good Luck in 2000 -- Go Greenfield!!

Other improvements for the Parks and Playgrounds include maintenance of the track, resurfacing the parking lot at Oak Park, the addition of more flowers around town, and a lot of preliminary work looking into an irrigation system for both the soccer and baseball fields. Due to the cost, the irrigation projects and resurfacing the soccer field will most likely be tackled in 2001. As far as monies, at the end of 1999, \$426.81 was in the recreation revolving account, earning \$10.99 interest.

It was a good year at Sunset Lake except for opening a week late due to school being held an extra week. Swimming lessons went really well. The beach maintains a great safety record thanks to the lifeguards and parents. The concession stand will only get better with the addition of a full size freezer to store plenty of ice cream. We will also need to address the issue of theft regarding the rafts.

Again, a lot of successes in the Recreation Department were "in-town" events. The Teen Dances, Arts & Crafts, tennis and swimming lessons were well attended, just to name a few. The "holiday" parties, Christmas, Easter and Halloween were very well attended. The bus trip to Fanuel Hall is still a big hit. This year it was hard to focus on activities during the children's school vacations with a new baby at my house but this situation will be rectified in 2000.

Many of the scheduled programs could not have occurred without the help of volunteers. I would like to extend my sincere **THANKS** to those folks who volunteered their time and energy to see some of these programs through to completion. I could not have done it without you.

I plan to take the successes of 1999, build upon them, and add some new and interesting programs in 2000. We are already off to a quick start with ice skating lessons, Pokemon card trading events, etc. If you have any questions, concerns, ideas, or would like to volunteer your time, please call me.

Thanks to all of you!

Lisa A. Betz  
Recreation Director

## RECYCLING CENTER REPORT

Our first year on our own was a big success! We saved \$23,496 in trash removal alone. We are also able to recycle more material than before and keep track of the tonnage being recycled. In the past year Greenfield has kept 158.37 tons of recyclable material out of the waste stream, for which we received \$3,500 in revenue for some of the recyclables. We also received a Grant from the State of NH for the purchase of a building to house our used oil tank and we will be adding a used antifreeze tank to it this spring.

Thanks to numerous residents, Greenfield Gardens, and Yankee Farmer, the Recycling Center looked absolutely beautiful this past summer. This was noticed and written up in the local papers.

For the upcoming year we will, hopefully, see the installation of a compactor for our trash removal. Also, the residents can look forward to our first annual Household Hazardous Waste Day sometime in the early fall.

I won an award this past year, presented by the Northeast Resource Recovery Association, titled "Most Honorable Mention for Recycling Initiatives Above and Beyond the Call of Duty." I could not have received this award without the cooperation and support of everyone.

Thank you most respectfully,

Scott Bradford

### Recycled Tonnage for 1999

## SELECTMEN'S REPORT

The final year of the Millennium was marked by fond goodbyes and hopeful new beginnings. The change was most dramatically marked by the parade of school children and many representatives of our community as they marched from the school, which has graciously served the town for more than one hundred years, to a sparkling new building a short walk from the Village. We think this school will provide a very appealing and inviting "bookend" to the future Downtown Greenfield.

We, in the Selectmen's Office, have had as our focus for this final year of the Century, a look towards the future and the dream of fulfilling the vision as laid out by the Design Charrette proposed almost three years ago. The school and the elderly housing complex are the first two pieces of the puzzle to be completed but represent only a portion of the overall vision.

Our first priority is to preserve and make useful the recently-vacated school. This is one of our three historic town structures in the Village and, after consultation with engineers and contractors, we concluded it would provide us with a wonderful Town office building and community center. There is ample room on the second floor for girl scout, boy scout, and other community-based meetings which could take some pressure off of the Meeting House.

Our second priority is to renovate the Downtown into a more pedestrian-friendly place, thereby becoming more attractive to commercial development and enhancing the overall beauty of the Village Common. This plan includes the addition of sidewalks connecting the Downtown with both the new school and Oak Park.

We then have to consider long-delayed renovations to the Fire Station and Library. The Historical Society has teamed up with the Library to help accomplish a meaningful and valuable addition.

The design is completed by the purchase of the downtown East Coast Steel property to provide adequate land for a community sewage disposal system as well as the eventual development of a centrally-located park and greenway. Failure to purchase this property at the present time could prove costly in the long run as development of an off-site sewer system to provide for the downtown would be much more costly.

This is an ambitious project but we have been careful to include only those projects which we feel are meaningful and necessary. We also feel that we can't avoid doing these things forever and realize that as time goes on, costs to accomplish these goals are continually increasing. We hope you will support the Bond issue. Anything good is worth investing in and communities that do not invest in themselves at some point live to regret it. We think the time is right and the future is now!

The good news on spending: Six years ago the Town portion of the tax rate was \$5.67. In 1998 it stood at \$4.50 – a drop of \$1.17 or enough to almost completely fund the cost of the Bond. This, without even considering the drop we recently experienced in the school portion as a result of State funding. Our goal is to show that we can continue to keep taxes relatively flat yet achieve dramatic and meaningful improvements.

We would like to thank our Administrative Assistant, Debbie Nutting, and her co-worker, Catherine Shaw, for their excellent help throughout a difficult year and would also express our appreciation to all of our Department Heads and Town employees for their cooperation, dedication, and understanding.

## TOWN MEETING

March 9, 1999

### Town Elections

Meeting was called to order by Moderator, Peter Hopkins, at 10:00 am to act on Article 1 of the Warrant - election of Town Officials for the ensuing year, also Article 1b to vote on proposed amendments to the Zoning Ordinances plus CONVAL School Warrant articles.

Checklist was read by Linda Dodge, Supervisor of the Checklist with 821 names. Pledge of Allegiance was led by Bob Geisel. Moderator read the first article of the warrant, the remainder to be read and acted on when Town Meeting reconvenes on Friday, March 12, 1999 at 7 p.m.

Polls opened at 10:00 a.m. and closed at 7 p.m. after which the ballots were counted 200 ballots were cast, 6 of which were absentee.

**SELECTMAN FOR THREE YEARS:** Jerry Adams received 169 votes (there were a few write-ins) Therefore Jerry Adams elected for the ensuing 3 years.

**TAX COLLECTOR FOR THREE YEARS:** Robert C. Geisel, Jr. received 184 votes, therefore Robert C. Geisel, Jr. elected for ensuing three years.

**TOWN TREASURER FOR ONE YEAR:** Carol A. Baldwin received 184 votes, therefore elected for ensuing year.

**FIRE CHIEF FOR ONE YEAR:** James Conway received 30 write in votes (Loren White received 18 write ins, Charles Stevenson received 9 write ins, Matt Fox received 7 write ins) James Conway receiving the most is elected for the ensuing year.

**LIBRARY TRUSTEE FOR THREE YEARS:** Nancy Aldrich received 176 votes, therefore elected for the ensuing three years.

**TRUSTEE OF TRUST FUNDS FOR THREE YEARS:** Al Burt received 31 write in votes therefore elected for the ensuing three years.

**BUDGET COMMITTEE FOR THREE YEARS:** (Vote for Two) there were 21 write ins all for different people - no one with enough for election. Two members will need to be appointed.

**PLANNING BOARD MEMBER FOR THREE YEARS:** (vote for two) Marilyn Fletcher received 167 votes and George Rainier received 172 votes, therefore Marilyn Fletcher and George Rainier elected for ensuing three years.

**CONVAL SCHOOL DISTRICT MODERATOR FOR ONE YEAR:** Peter Hopkins received 184 votes.

**MUNICIPAL BUDGET COMMITTEE MEMBER FOR ONE YEAR:** Velma Stone received 165 votes.

Article 1B Proposed Amendments to the Zoning Ordinances.

Number 1 - Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board

for the Greenfield Zoning Ordinance as follows:

Amendment No. 1 would limit the number of unregistered motor vehicles

on any lot to two vehicles. Junk yards and vehicles undergoing restoration and granted a special exception by the Zoning Board of Adjustment are exempt.

YES 159

NO 41

Number 2 - Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board

for the Greenfield Zoning Ordinance as follows:

Amendment No. 2 would allow earth excavations in the Industrial Districts

YES 150

NO 49

Number 3 - Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board

for the Greenfield Zoning Ordinance as follows:

Amendment No. 3 would place certain restrictions on outdoor lighting to assure that there is no direct lighting on adjacent property and that all outdoor lighting points downward.

YES 147

NO 52

Number 4 - Are you in favor of the adoption of Amendment No. 4 as proposed by the Board of Selectmen for the Greenfield Zoning Ordinance as follows:

Amendment No. 4 would allow in the Business District, buildings with up to 25 dwelling units for those elderly individuals with moderate or greater incomes.

The Planning Board approves of this Amendment.

YES 157

NO 43

TOWN MEETING  
GREENFIELD, NH

Town Meeting reconvened on March 12, 1999, at 7:00 pm Moderator, Peter Hopkins, read the State of the Ballot, next the Moderator reviewed the house rules as follows:

1. No smoking. 2. Only one article at a time to be considered. 3. Anyone wishing to speak to an article, please wait to be recognized then stand and state name. 4. Any person wishing to speak to a motion a second time must wait until all those who wish have had a chance to speak. 5. Every article should have a fair hearing; therefore, a motion to pass over will not be accepted. 6. If you propose an amendment to an article, write it out so the Clerk will be sure to get the proper wording. 7. Once an article has been voted on and the assembly has moved on to the next article, floor will not reconsider previous article. 8. Lastly if anyone wants to change these rules, they may do so now.

Article 2. Motion made and seconded to hear the reports of agents, auditors, standing committees, or other officers heretofore, chosen and to pass any vote relative thereto. Deborah Marsh announced that the Southern NH Scottish Games and Celtic Music Festival will be held at Oak Park on June 5, 1999 to benefit the Happy Valley School. Article voted in affirmative.

Article 3. Motion made and seconded to see if the town will vote to enter into a Four (4) year lease/purchase agreement for the purpose of purchasing a Caterpillar 426C Loader Backhoe. The total amount of money to be raised and appropriated is Eighty Four Thousand Dollars, (\$84,000), the requested amount of money each year will be Twenty One Thousand Dollars (\$21,000) or take any action relative thereto..  
(Recommended by Board of Selectmen and Budget Committee). Voted in the Affirmative.

Article 4. Motion made and seconded to see if the municipality will vote to raise and appropriate the amount of Ten Thousand Dollars (\$10,000) for the purpose of repairing the stone wall at the Greenvale Cemetery, or take any action relative thereto. (Recommended by the Board of Selectmen and the Budget Committee.) Voted in the affirmative.

Article 5. Motion made and seconded to see if the town will vote to raise and appropriate the amount of Twenty Eight Thousand Five Hundred Dollars (\$28,500) to hire a second full time Policeman, or take any action relative thereto. (Recommended by the Board of Selectmen and Budget Committee.) Voted in the affirmative.

Article 6. Motion made and seconded to see if the municipality will vote to raise and appropriate the amount of Twenty Three Thousand Dollars (\$23,000) for the purpose of computer upgrades for the Town Offices, or take any action relative thereto. Voted in the affirmative.

Article 7. Motion made and seconded to see if the municipality will vote to enter into an agreement with Waste Management for the purpose of solid waste disposal and to further raise and appropriate the amount of Twenty Two Thousand Dollars (\$22,000) for this purpose, or take any action relative thereto. (Recommended by Board of Selectmen and Budget Committee) Voted in the affirmative.

Article 8. Motion made and seconded to see if the Town of Greenfield will vote to raise and appropriate the amount of Twenty Five Thousand Dollars (\$25,000). The purpose of this appropriation is for improvement necessary upon relocating the house located on map VI Lot 5. This appropriation will be offset by revenues, or take any action relative thereto. (Recommended by Board of Selectmen and Budget Committee.) Voted in the affirmative.

Article 9. Motion made and seconded to see if the Town of Greenfield will vote to make the waters of the Powder Mill Pond in Greenfield a wildlife sanctuary, or take any action relative thereto. (Petitioned article, requested ballot vote.) It was explained that this vote was not valid since the waters of the Pond do not belong to Greenfield, all we could do is take the vote. Craig Morrocco explained that the Wardens for the State had received many calls about the bird droppings being left at Hancock Pond, ConVal playing fields, etc. Vote was taken by ballot, results being: YES 8 NO 63

These next two articles again we can only vote as an advisory capacity only.

Article 10: Motion made and seconded to see if the town will agree to the following resolution, which if passed, is to be forwarded to our elected representatives to the General Court of New Hampshire and the United States Congress:

WHEREAS smoking is the No. 1 preventable cause of death in the US today;

WHEREAS a large and growing amount of evidence has confirmed that the tobacco companies have been targeting our children as the prime "replacement smokers";

WHEREAS the national Center for Disease Control states that nearly 24,000 of New Hampshire's youth, currently under the age of 18, will die prematurely of a tobacco-related illness

WHEREAS to pursue their ends the tobacco lobby has influenced the vote of most members or Congress by means of millions of dollars in campaign contributions to representatives of both major parties.

WHEREAS in the past 10 years this tobacco lobby has ignored the will of the people and prevented passage of 99% of the Congressional bills (172 out of 174), dealing with tobacco use and public health;

THEREFORE, recognizing that the profits have been elevated not only above people, but above our children, we the citizens of GREENFIELD, NH join with other towns in NH to:

(a) Call upon the General Court to allocate a JUST part of NH's TOBACCO settlement funds to fund essential TOBACCO cessation and prevention programs for the youth of New Hampshire; and (b) Call upon our elected members of the NH General Court and US Congress, as a pledge of their commitment to our youth, to state publicly that; I) they will refuse to accept any campaign funding, direct or indirect, from the tobacco industry/lobby; and II) they will support effective legislation to curb the spread of tobacco addiction (Petition article) Vote in the affirmative.

Article 11. Motion made and seconded to see if the town will agree to the following resolution, which, if passed, is to become town policy:

WHEREAS smoking is the No. 1 preventable cause of death in the US today,

WHEREAS, in order to fill the ranks of those who die of tobacco-related illness or manage to quit, a large and growing amount of evidence has confirmed that the tobacco companies have been targeting our children as this prime "replacement smokers":

WHEREAS the tobacco industry's targeting of our youth has contributed to billions of dollars worth of healthcare and productivity costs that come out of taxpayers pockets;

THEREFORE, recognizing that profits have been elevated not only above people but above our children we, the citizens of GREENFIELD, NH, instruct the Trustees of the Town's Trust Funds, through our Selectmen, to join with other towns in NH to:

(a) to examine the investment portfolio in which the town's various Trust Funds are presently held and to disinvest such Funds as may be invested in tobacco stocks and/or tobacco bonds, such divestment to be done as prudently as possible, but to be completed before the Town Meeting in the year 2000, (b) to report to the year 2000 Town Meeting whatever action they may have been obliged to take in compliance with (a) above,

(c) to determine that a policy of non-investment in tobacco companies is followed henceforth, unless rescinded by a future Town Meeting (Petitioned Article) Again Moderator said this was only an advisory vote and we couldn't tell our elected officials what to do with the funds. Vote in the affirmative.

Article 12. Motion made and seconded to see if the municipality will vote to raise and appropriate the amount of Eighty-Three Thousand, Four Hundred Fifteen Dollars (\$83,415.00) to support the Police Department or take any action relative thereto: (Recommended by Board of Selectmen and Budget Committee)Vote in the affirmative.

Article 13. Motion made and seconded to see if the municipality will vote to raise and appropriate the amount of Forty-Eight Thousand, Seven Hundred Twenty Dollars (\$48,720.00) to support the Fire Department or take any action relative thereto: (Recommended by Board of Selectmen and Budget Committee) It was noted this was 10% less than last years budget, the explanation was that the Fire Department had not spent all last years budget and didn't ask for more. It was suggested that the Chief's salary be increased by the 10% but not change the bottom line. This was approved. and the budget was passed to total \$48,720.00. Vote in the affirmative.

Article 14. Motion made and seconded to see if the municipality will vote to raise and appropriate the amount of Two Hundred Seventy Two Thousand , Six Hundred Fifteen Dollars (\$272,615.00) to support the Highway Department of take any action relative thereto. (Recommended by the Board of Selectmen and Budget Committee) Vote in the affirmative.

Article 15. Motion made and seconded to see if the municipality will vote to raise and appropriate the amount of Fifty Six Thousand, Five Hundred Seventy Five Dollars (\$56,575.00) to support

the Recycling Center or take any action relative thereto. (Recommended by Board of Selectmen and Budget Committee. Vote in the affirmative.

Article 16. Motion made and seconded to see if the municipality will vote to raise and appropriate the amount of Twenty Seven Thousand, Eight Hundred Eight Dollars (\$27,808.00) to support the Stevenson Memorial Library or take any action relative thereto. (Recommended by the Board of Selectmen and Budget Committee) Vote in the affirmative.

Article 17. Motion made and seconded to see if the municipality will vote to raise and appropriate the amount of Eighteen Thousand, Five Hundred Thirty Seven Dollars (\$18,537.00) to support the Greenfield Recreation Department or take any action relative thereto. (Recommended by the Board of Selectmen and Budget Committee) Vote in the affirmative.

Article 18. Motion made and seconded to see if the municipality will vote to raise and appropriate the amount of Three Hundred Nine Thousand, Five Hundred Seventy Six Dollars (\$309,576.00) to support the operation and maintenance of all other town property. Three Hundred Seven Thousand, Five Hundred Seventy Six Thousand Dollars (\$307,576.00) to be raised through appropriations and Two Thousand Dollars (\$2,000) to be raised through fees from Oak Park or take any action relative thereto. (Recommended by Board of Selectmen and Budget Committee) Vote in the affirmative.

Article 19. Motion made and seconded to transact any other business that may legally come before this meeting or take action relative thereto. Question concerning status of 911 numbers, Selectmen stated that the Maps have been done, now have to have a hearing before numbers to be assigned.

Tom Welden, our School Board Member gave us an update as to status of new school building, still on target of getting the new building ready by September.

Question concerning the side walk, Tom said this is more a question for the Selectmen, they are pursuing grant. current plan to have sidewalk or bike path further back from road. Shouldn't be a lot of walkers to the school since it is on a number road and elementary students are not allowed to walk on state road..

Y2K concern expressed, contingency plan to help, hoping to get the computers all up-dated to be in compliance.

Motion made and seconded to adjourn this town meeting at 8:50 pm

Respectively submitted,  
Frances F. Kendall, Town Clerk

SPECIAL TOWN MEETING

October 5, 1999

Meeting was opened at 7:10 p.m. by Moderator, Peter Hopkins who read the warrant. One article to be voted on. Article amended to read:

To see if the Town will grant a water easement on property identified as Map VI -Lot 1 and Map VI-Lot 6 also include VI-Lot 8 , to Southern New Hampshire Service for the specific purpose of placing a well for drinking water for the elderly housing complex, this easement not to exceed 310 feet of north Lot line..

Motion made and seconded. Discussion and amendments to the original warrant was to have statement specified that this easement could be for no other purpose. Also discussion issued as to wisdom of having Elderly Housing in the town, as to the impact on services, and how many Greenfield residents would be served. It was explained that Greenfield Residents would have priority for placement. When resident can't afford the housing or get beyond independence they would be moved out. It was explained that when they have an accident they push a button connected to a response service, who in turn notifies Greenfield,

The article was voted by ballot. Article was passed by a vote of 57 in favor and 20 against therefore voted in the affirmative.

Meeting adjourned at 8:30 p.m.

Respectively Submitted by

Frances F. Kendall, Town Clerk

## GREENFIELD TRAILS ASSOCIATION

The Greenfield Trails Association was formed in July of 1999. There are currently more than 100 members. Our first months have been busy with organizing our legal paperwork. We have adopted our Constitution and By-laws as well as becoming a 501(C) 3 recognized organization. We have been compiling an inventory of all of the recreational trails within Greenfield and are nearly finished. A fund-raiser was held in November, which consisted of opening a new trail for the Lehner family. The trail now provides access to a scenic view, which was difficult to get to prior to our work. The Lehner's have also been gracious enough to open the trail for use by the public. Hikes and trail x-country skiing outings are now being organized and will be open to the public. Please join us. There will be varied outings to satisfy all disciplines and ages. More information can be obtained by calling Denise Fox @ 547-03208.

Net Income	100,524.10	(100,627.00)

## TRUSTEE REPORT

### CEMETERIES:

The repair of the wall at Greenvale cemetery scheduled for last year will be completed this year.

The hot and dry summer may have damaged a few of the flowering crabs recently planted at Greenvale. Any damaged trees will be replaced this Spring.

For the second year in a row the water supply project at Greenvale was delayed. The problem was obscure but ultimately solved by the replacement of the pump itself. It must also be noted that a significant amount of time has been donated by Jarvis Adams regards this water system.

### TRUST FUNDS:

With an eye to maximize the return on investments, approximately one third of the Trust Funds were moved to an institution which increased the percentage return from 4.85% to 6% interest. As CDs mature other moneys may similarly be moved.

We would like to have another person to serve as Trustee for both Cemeteries and Trust Funds. If you would like to volunteer your time please contact either me or Bob.

Respectfully submitted,

Al Burt, Chairman  
Bob Plourde

## TOWN WARRANT

### **Town of Greenfield State of New Hampshire**

To the inhabitants of the Town of Greenfield, in the County of Hillsborough and State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Meeting House in said Greenfield on Tuesday, the 14th day of March, next, to act on the following subjects. The polls will be open at the Town Meeting House from 10:00 am – 7:00 pm.

**Article 1:** To choose all necessary town officers for the year ensuing.

**Article 1(a):** To vote by ballot on the following proposed amendments to the Greenfield Zoning Ordinance.

#### Amendment #1

Amend paragraph F1 in SECTION IV of the Zoning Ordinance to read:

“Such back lots may be approved in the Village District, General Residence District and the Rural/Agricultural District only and no such approval shall be granted unless the following conditions are met:”

#### Amendment #2

Amend paragraph G4 in SECTION III of the Zoning Ordinance to read:

“Industry is not permitted in this district nor shall manufactured housing/mobile homes and travel trailers used as residences be permitted in this district. No building will house more than four (4) families as permanent residents and each dwelling unit or apartment shall be provided with off-street parking for two automobiles. The following businesses will be permitted in this district: Buying, selling and exposing for sale home produce and products. Maintaining and operating hotels, bed & breakfast inns and day care centers.

#### Amendment #3

The following article, which addresses the problem of excessive noise, shall be added as a subparagraph to paragraph M in SECTION IV of the Zoning Ordinance.

It shall be unlawful for any person to make, continue, or cause to be made or continued any excessive, unnecessarily loud noise, or any noise which either annoys, disturbs, injures, or endangers the comfort, repose, health, peace or safety of others within the limits of the town, and in accordance with the concepts, measurement definitions and procedures set forth below.

#### **I. Noises Prohibited-Decibel Provisions**

- a. Use Districts. It shall be unlawful to project a sound or noise, excluding noise emanating from cars, trucks or other vehicles, from one property into another, within the boundary of a use district, which exceeds the limiting noise spectra set forth in Table 1 below. Sound or noise projecting from one use district into another use district with a different noise level limit, shall not exceed the limits of the district into

which the noise is projected.

b. Loading and Unloading. It shall be unlawful to load, unload, open, or close or otherwise handle boxes, crates, containers, and building materials, trash cans, dumpsters, or similar objects between the hours of 10:00pm and 6:00am so as to project sound across a real property line, except as exempted under c below.

c. Power Tools. It shall be unlawful to cause a noise disturbance across a real property line by operating any mechanically powered saw, sander, grinder, drill, garden tool, or similar device used outdoors, with the exception of snow blowers, before 7:00am. Snow blowers, lawnmowers, and chain saws shall be exempted from the L10 and Maximum Permissible-weighted Sound Level limits enumerated in Table 1 below.

d. Radios, Televisions Sets, Musical Instruments and Similar Devices. It shall be unlawful to operate, play, or permit the operation or playing of any radio, television, phonograph, drum, musical instrument, sound amplifier, or similar device which produces, reproduces, or amplifies sound between the hours of 11:00pm and 7:00am in such a manner as to cease a noise disturbance across a real property boundary.

e. Exemptions. The following uses and activities shall be exempt from noise level regulations:

- (1) Noises of safety signals, warning devices and emergency pressure relief valves;
- (2) Noises resulting from any authorized vehicle when responding to an emergency call or acting in time of emergency;
- (3) Noises resulting from emergency and maintenance work as performed by the town, by the state, by public utility companies or noises resulting from the provision of municipal services;
- (4) Any other noise resulting from activities of a temporary duration permitted by law and for which a license or permit therefore has been granted by the town;
- (5) The unamplified human voice;
- (6) Parades and public gatherings for which the Selectmen have issued a permit;
- (7) Bells, chimes or carillons while being used for religious purposes or in conjunction with religious services, and those bells, chimes or carillons that are presently installed and in use for any purpose.

## 2. Measurement of Noise.

a. The measurement of sound or noise shall be made with a sound level meter meeting the standards prescribed by ANSI SI.4-1971 TYPE 1 or TYPE 2 and IEC 179. The instrument shall be maintained in calibration and good working order. A calibration check shall be made of the system at the time of any noise measurement. Measurements recorded shall be taken so as to provide a proper representation of the noise source. The microphone during measurement shall be positioned so as not to create any unnatural enhancement or diminution of the measured noise. A windscreen for the microphone shall be used when required. Traffic, aircraft and other transportation noise sources and other background noises shall not be considered in taking measurements except where such background noise interferes with the primary noise being measured.

b. The slow meter response of the sound level meter shall be used in order to best determine that the amplitude has not exceeded the limiting

noise levels set forth in Table I below.

c. The measurement shall be made at the location the noise is perceived by the complainant, or upon a public way, at a level of five (5) feet above the ground.

### C. Tables

Table 1: Limiting Noise Level For Use Districts

Use District A represents the Village, Residential, and Rural/Agricultural Districts. Use District B represents the Business District. Use District C represents the Industrial Districts.

Use District	Maximum Permissible A-weighted Sound Level	
	Day	Night
A. L-10 level	55	45
Maximum	68	58
B. L-10 level	60	45
Maximum	70	58
C. L-10 level	60	60
Maximum	70	70

L-10 refers to a national guideline for measuring noise levels over time and is recommended by the Environmental Protection Agency.

Sound levels are in decibels re: 20 micro pascals measured on the A weighting network of a sound-level meter meeting the standards referenced in paragraph 2a above.

For the purpose of this Table, "Day" shall be defined as 7:00am to 10:00pm and "Night" shall be defined as 10:00pm to 7:00am. If the noise is not smooth and continuous, one or more of the corrections in Table II below shall be added to or subtracted from each of the decibel levels given in Table I of this section.

Table II Type of Operation in Character of Noise  
(correction in decibels)

Noise of impulsive or intermittent character (hammering, discharging of weapons, etc.): minus 5

Noise of periodic character (hum, screech, etc.): minus 5

4. Application for Special Permit. Application for a permit for relief from the noise level designated in this ordinance on the basis of undue hardship may be made to the Board of Selectmen. Any permit granted by the Selectmen shall set forth all conditions pertaining to the specific noise and a reasonable time limit for its abatement.

5. Upon an apparent violation of this ordinance and the issuance of a complaint, the enforcing officer shall give a verbal order to cease or abate the noise immediately or within a specific period of time. If the order is not complied with, the person or persons responsible for the noise shall be charged with a violation of the ordinance. Anyone who violates the ordinance shall be subject to fine of twenty-five (25) dollars per offense. Written record of all measured violations shall be kept by the police department.

#### Amendment #4.

Amend paragraph K in SECTION II of the Zoning Ordinance by adding the following to the end of the sentence:

“or in which are located establishments engaged in the trading of goods and services”.

#### Amendment #5

Amend paragraph I a in SECTION III of the Zoning Ordinance by including within the Industrial District described in that paragraph, the property identified as lot #18A on Tax Map R-9.

#### Amendment #6

Amend the Greenfield NH Building Code by adding the following to Section VII and reword the paragraph accordingly.

Building Permit Fee	\$ 0.10/square foot
Unattached buildings with no service (elec, plumbing)	\$0.03/square foot
Minimum building fee	\$ 25.00
Septic permit test pit	25.00
Septic system construction permits	50.00
Electric permit	25.00
Plumbing permit	25.00
Furnace permit (donation to the Fire Department)	25.00

#### Amendment #7

Amend the Greenfield NH Building Code by adding the following as Section VIII:

Section VIII All manufactured housing and mobile homes shall conform to established State of NH and/or HUD standards and codes at the time of construction. All units must be constructed post 1977 when HUD standards were established and must contain a minimum of 500 square feet..

#### Amendment #8

Amend the Greenfield NH Building Code by adding the following to Section VIII:

Upon receiving assurance that there will be no compromise to personal safety and health and that there will be no danger of contaminating the surrounding area, the Greenfield Board of Selectmen may grant the use of temporary housing to an individual or family constructing a permanent residence in Greenfield. The temporary housing and the permanent residence must be on the same lot and the temporary housing must contain at least 500 square feet of livable space. The grant to use temporary housing shall be for one year and can be extended for six months. The temporary housing must be removed from the lot within 30 days after issuance of an occupancy permit for the permanent residence. The Board of Selectmen can require the posting of a bond of sufficient size to assure the removal of the temporary housing.

**Article 1 (b) :** To hear the reports of agents, auditors, standing committees, or other officers heretofore, and chosen and to pass any vote relative thereto.

**Article 2:** To see if the Town will vote to raise and appropriate the amount of Two Million One Hundred Fifty Five Thousand Thousand dollars (\$2,155,000) for the revitalization of the Town’s downtown area, so called, by financing the following (collectively referred to as the “project”):

- The acquisition of land and certain improvements to the former Greenfield Elementary School;
- Certain improvements to the existing fire station;
- Certain road, drainage, sidewalk, parking and lighting improvements;
- Certain improvements to the Stephenson Memorial Library;
- The acquisition of and certain improvements to the present East Coast Steel property (Tax Map V3, Lot 7);
- A new community wastewater system for the downtown area;
- Certain improvements to Oak Park; and
- Certain professional consulting fees for the preparation of cost estimates and funding applications,

And to authorize the Selectmen to raise said sum by issuing not more than \$1,546,000 in bonds or notes in compliance with the Municipal Finance Act, RSA 33:1 et seq. The balance of \$609,000 or such part thereof as necessary to complete said project to be raised by applicable State, Federal, or other Grant programs, as well as contributions from local organizations; and to authorize the Selectmen to apply for, and obtain and accept federal, state or other grants or aid, if any, which may be available for said project and to comply with all laws applicable to said Project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes and determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Selectmen to take any other action or pass any other vote relative thereto.

*[By way of explanation and without impairing the general obligation of the Town to repay such bonds, the Town intends to collect, through user fees, amounts necessary to support the payments of the portion of the net project costs supported by such bonds or indebtedness that are attributable to the wastewater system.]*  
( The Selectmen recommend this appropriation)  
(The Budget Committee recommend this appropriation.)  
(Two-thirds ballot vote required.)

**Article 3:** To see if the municipality will vote to enter into a Five (5) year lease/purchase agreement for the purpose of purchasing a compactor for the Greenfield Recycling Center, and to further appropriate the amount of Four Thousand Three Hundred Twenty Dollars (\$4,320) for the first year’s payment for that purpose. (Recommended by Board of Selectmen and Budget Committee.)

**Article 4:** To see if the municipality will vote to raise and appropriate the amount of Four Thousand Six Hundred Fifty Dollars (\$4,650) for the purpose of repairing a collapsing bay and construction of another bay at the Greenfield Recycling Center. (Recommended by Board of Selectmen and Budget Committee.)

**Article 5:** To see if the municipality will vote to raise and appropriate the amount of One Thousand Five Hundred Dollars (\$1,500.00) for the purpose of researching various properties in town further identified as “UNKNOWN PROPERTIES”. This research will allow for the sale of these properties, returning them to the tax commitment of the Town. (Recommended by Board of Selectmen and Budget Committee.)

**Article 6:** To see if the municipality will vote to deposit 100% of the revenues collected (cap \$5,000) pursuant to RSA 79-A into the conservation fund in accordance with RSA 36-A:5III as authorized by RSA 79-A:25 III. (Recommended by Board of Selectmen and Budget Committee.) (Submitted by the Conservation Commission).

**Article 7:** To see if the town will vote to send the following resolution to the New Hampshire General Court: Resolved, New Hampshire's natural, cultural and historic resources in this town and throughout the state are worthy of protection and, therefore, the State of New Hampshire should adopt a permanent public/private partnership for the voluntary conservation of these important resources. (Submitted by the Conservation Commission)

**Article 8:** To see if the Town will vote to reclassify the Southern end of Pine Ridge Road, beginning at the intersection of Savage Road, beginning at the Southern boundary of Lot #R5-34.3 currently owned by Judd Gregg, through to the intersection of East Road to a Class A Trail in accordance with RSA 231-A. A Class A Trail is a full public right of way subject to public trail use restrictions. It may not be used for vehicular access to any new building, but it may be used by abutting landowners to provide access for agriculture and forestry and to any building existing prior to its designation as a Class A trail. The municipality shall bear no responsibility for maintaining the trail for such uses. (Submitted by the Greenfield Trails Association.)

**Article 9:** To see if the municipality will vote to accept, as a Class 5 Highway, the road laid out by Willard & Holly Williams, which meets the requirements of the Greenfield Subdivision regulations and is approved by the Town Road Agent. The newly laid road, which intersects on the South side with County Road, Northerly intersects with the existing Muzzey Hill Road will further discontinue the usage of what is currently known as Muzzy Hill Road. Upon acceptance of this article the name of the new road will remain MUZZEY HILL ROAD.

**Article 10:** To see if the municipality will vote to raise and appropriate the amount of Forty Thousand Dollars (\$40,000) for the purchase of the property located on Forest Road identified as Map V1 – Lot 4. (Recommended by Board of Selectmen and Budget Committee.)

**Article 11:** To see if the Town will require that all full-time emergency personnel be required to live where they can physically respond to an emergency in the town within fifteen minutes; such response time would allow such personnel to live outside the town where response time was acceptable because of facility of distance or access; or take any action relative thereto. (Petitioned Article)

**Article 12:** To see if the municipality will vote to raise and appropriate the amount of One Hundred Nine Thousand Three Hundred Fifty Four Dollars (\$109,384.00) to support the Police Department. Allocation as follows: (Recommended by Board of Selectmen and Budget Committee.)

Chief's Salary	\$ 38,780

GREENFIELD BOARD OF SELECTMEN

  
David A. Hedstrom, Chairman

Conrad B. Dumas

  
Jerry Adams

## **ZONING BOARD OF ADJUSTMENT REPORT**

During 1999, the Zoning Board of Adjustment heard and approved an appeal for an equitable waiver of dimensional requirement. This was our only case. The recent reduction in small lot setback requirements has greatly diminished the number of appeals.

Respectfully submitted,

Peter Lindstrom  
Chairman
